

# The Quick 411 on ODFL

**Our Mission:** Bigger People. Better World.

**How We Do It:**

- Every teenager gives *just one dollar*.
- We use those dollars for high impact projects in the developing world. For example:
  - Schools - Irrigation systems
  - Water Wells - Sanitary waste disposal

**How it Works:**

**Why It Works:**

- It's NOT charity. Projects improve local self-sufficiency.
- Teenagers *want* to be connected to their world. They *want* to be compassionate. They *want* to be effective human beings.
- This is a way to do all three—to make bigger human beings of all of us.

**The Proof:**

Our first project was a school in Kenya that we built three years ago. The cost: \$9,000. Since then we've built 8 more schools, in Kenya, Nicaragua, El Salvador, Malawi,

Indonesia and Nepal, and much, much more. Every student who gave a dollar is a bigger person as a result. Hence, our motto: Bigger People. Better World. *It's working!* We are *already* making the world a better place! *Please join us!*
